HEALTH AND SAFETY POLICY

ZERO HARM

- I Pavetech Laboratory is committed to providing and maintaining a safe and healthy workplace for all, and to provide the information, training and supervision needed to achieve Zero Harm.
- II Pavetech Laboratory will take responsibility for health and safety procedures, however employees need to be aware of their responsibilities and comply with the business health and safety policy.
- III Each Employee shall play a vital and responsible role in maintaining a safe and healthy workplace through:
 - Being involved in the workplace health and safety system.
 - Ensuring Pavetech job assessment forms are completed prior to commencement of works to either eliminate minimise or isolate hazards.
 - Adhering to correct procedures and equipment
 - Wearing appropriate PPE
 - Ensuring all accidents and incidents are reported
 - Helping new employees, trainees and visitors to the workplace understand the right safety procedures and why they exist.
